To all shareholders of GlobalData Plc

Dear shareholder,

Annual General Meeting – 26 April 2022

I have pleasure in inviting you to the 2022 Annual General Meeting (the "Meeting" or the "AGM") of GlobalData Plc (the "Company"), which will be held at John Carpenter House, John Carpenter Street, London, EC4Y 0AN at 10.00 a.m. on 26 April 2022. This document includes the Notice of AGM, which sets out the resolutions that shareholders are being asked to consider and vote on (the "Resolutions").

The Company understands and respects the importance of the AGM to shareholders and the board of directors (the "Board") greatly values the opportunity to meet shareholders in person. However, we understand that this may not be possible or desirable for all who wish to attend, therefore, the Company will offer shareholders the option to participate in the Meeting remotely which can be accessed from any computer with internet access or through a telephone (mobile or landline). If you are interested in this option, please call Courtney Taylor on 020 7936 6400 or email cosec@globaldata.com in order to make the necessary arrangements. However, shareholders will not be able to vote at the AGM when joining remotely. Shareholders are therefore asked, whether or not they propose to attend the AGM in person, to exercise their votes by submitting their proxy electronically via their Signal Shares account in advance of the Meeting and to appoint the Chair of the AGM as their proxy with their voting instructions. Submission of an electronic vote via your Signal Shares account will not preclude you from attending the AGM and voting in person if you so wish. The form of proxy must have been received by 10.00 a.m. on 22 April 2022 (or, in circumstances where the AGM is adjourned to a date later than 48 hours after the time specified for the AGM, 48 hours before the time of the adjourned meeting, excluding any UK non-working days).

The Company has been monitoring the evolving situation relating to the Coronavirus pandemic and whilst the UK government has lifted legal restrictions in England, the situation remains uncertain and there is no guarantee that there will not be any further changes prior to the AGM. Shareholders should note that further changes may need to be put in place at short notice in relation to the AGM and any updates to the position will be included on the Company’s website at https://www.globaldata.com/investors/shareholder-information/agm-information/.

Further details and guidance can be found at note 1 to the notice of AGM set out below. Shareholders should also continue to monitor the Company’s website and announcements for any updates regarding the AGM.

The purpose of this document is to set out the background to and reasons for the Resolutions which are to be proposed at the AGM and to explain why the Directors consider them to be in the best interests of the Company and shareholders and recommend that you vote in favour of the Resolutions.
Explanation of the business of the Meeting
The business to be conducted at the AGM reflects the ordinary business and related ordinary resolutions and special resolutions that are put to the annual general meeting of the Company each year.

Detailed explanatory notes on all of the business to be considered at this year’s AGM are set out below.

Resolutions numbered 1 to 14 are proposed as ordinary resolutions. This means that for each of those Resolutions to be passed, more than half of the votes cast must be in favour of the Resolution. Resolutions numbered 15 and 16 are proposed as special resolutions. This means that for each of those Resolutions to be passed, at least three-quarters of the votes cast must be in favour of the Resolution.

To more accurately reflect the views of shareholders of the Company, voting on all of the Resolutions will be carried out by way of a poll put to the AGM in accordance with the Company’s articles of association (the “Company’s Articles”). The Board considers this to be best practice as it gives all shareholders the opportunity to participate in the decision-making of the Company and have their votes recorded even if they are unable to attend the AGM in person.

Ordinary Resolutions (1 to 14)

Resolution 1 – Approval of Reports and Accounts
The directors are required to present the Company’s accounts and the reports of the directors and of the auditor for the year ended 31 December 2021 to shareholders of the Company at the AGM.

Resolution 2 – Approval of Dividend
Shareholders are being asked to approve a dividend of 13.2 pence per ordinary share in respect of the financial year ended 31 December 2021. If the recommended dividend is approved, it will be paid on 29 April 2022 to all ordinary shareholders whose names appear on the register of members at close of business on 1 April 2022.

Resolutions 3 to 10 – Re-election of Directors
Articles 84 and 85 of the Company’s articles of association require that at the annual general meeting every year the directors retire from office and are eligible for re-election. All Directors will therefore stand for re-election at the AGM.

As set out in the corporate governance statement in the annual report, the Board considers that the performance of each of the Directors during the period ended 31 December 2021 has been effective and each Director has demonstrated commitment to the role. The Board therefore believes that it is in the best interests of shareholders that each Director be re-elected. It is the Board’s view that the Directors’ biographies, set out on pages 36 and 37 of the annual report, illustrate why each Director’s contribution is, and continues to be, important to the Company’s long-term sustainable success.

Resolutions 11 and 12 – To re-appoint Deloitte LLP as Auditor of the Company, to hold office until the conclusion of the next annual general meeting at which financial statements are laid before the Company, and to authorise the Audit Committee to determine the remuneration of the Auditor
At each general meeting at which the Company’s financial statements are presented to its members, the Company is required to appoint an auditor to serve from the conclusion of that meeting until the conclusion of the next such meeting.

The Board, on the recommendation of the Audit Committee, is therefore recommending the re-appointment of Deloitte LLP as the Company’s auditor. Resolution 12 gives authority to the Audit Committee to determine the Auditor’s remuneration.

Resolution 13 – To receive and approve the Directors’ remuneration report
As a company admitted to trading on AIM, the Company is not required to give shareholders an annual advisory vote on the report on Directors’ remuneration. However, the Company has decided to comply
voluntarily with this requirement of the Large and Medium-sized Companies and Groups (Accounts and Reports) (Amendment) Regulations 2013. Shareholders are therefore being requested to vote on the receipt and approval of the Directors’ remuneration report, as set out on pages 55 to 61 of the annual report.

**Resolution 14 – To authorise the Directors to allot ordinary shares**

Resolution 14 asks shareholders to grant the directors authority to allot shares in the Company. This resolution will, if passed, authorise the directors to allot the Company's shares up to a maximum nominal amount of £28,167 in nominal value (representing approximately one third of the issued share capital of the Company as at the date of this document). In addition, the resolution will, if passed, authorise the directors to allot further shares in the Company up to a maximum nominal amount of £28,167 (representing approximately a further one third of the issued share capital of the Company as at the date of this document) in connection with a fully pre-emptive rights issue. The authority will be effective until the conclusion of the next AGM of the Company to be held in 2023 or, if earlier, the date falling 15 months after the date of the Resolution.

**Special Resolutions (15 and 16)**

**Resolution 15 – To authorise the Directors to disapply pre-emption**

Unless they are given an appropriate authority by shareholders, if the Directors wish to allot and issue any shares for cash or grant rights over shares or sell treasury shares for cash they must first offer them to existing shareholders in proportion to their existing holdings. These are known as pre-emption rights and are contained in the Companies Act 2006. Resolution 15, if passed, authorises the directors to issue ordinary shares for cash, either by way of a rights issue or offer to existing shareholders or to other persons on a non-pre-emptive basis, provided that any issue for cash to such persons on a non-pre-emptive basis shall not exceed £4,225 representing 5,915,000 ordinary shares (being equal to approximately five per cent of the issued share capital as at the date of this document). The authority will be effective until the conclusion of the next AGM of the Company to be held in 2023 or, if earlier, the date falling 15 months after the date of the Resolution.

**Resolution 16 – To approve the purchase of the Company's own shares**

At the AGM held on 20 April 2021, the Company was authorised to purchase up to 11,830,386 of its own shares (being 10% of the Company’s issued ordinary share capital at the date of the notice of that meeting).

Resolution 16, a special resolution, will renew the Company’s authority to make market purchases of up to 11,830,386 ordinary shares (being 10% of the Company’s total issued ordinary share capital as at the date of this notice), either for cancellation or for placing into treasury at the determination of the Directors. Purchases of ordinary shares will be made within the guidelines established from time to time by the Board. Any purchase of ordinary shares would be made only out of the available cash resources of the Company. The maximum price which may be paid for an ordinary share shall be an amount equal to 105% of the average of the middle market quotations on AIM for the ordinary shares for the five business days immediately preceding the date of purchase. The minimum price which may be paid is 1/14 pence per ordinary share.

The Directors will consider repurchasing ordinary shares in the market if they believe it to be in shareholders’ interests as a whole and as a means of correcting any imbalance between the supply of and demand for the ordinary shares. The authority will be effective until the conclusion of the next AGM of the Company to be held in 2023 or, if earlier, the date falling 15 months after the date of the Resolution.

**Action to be taken**

If you would like to vote on the resolutions to be proposed at the AGM but cannot or do not wish to attend the AGM, you should appoint a proxy via www.signalshares.com by following the instructions on that website, or if you hold your shares in CREST, via the CREST system.

In order to reduce the Company’s environmental impact, you will not receive a hard copy form of proxy for the 2022 AGM in the post automatically. Instead, you will be able to appoint a proxy electronically at
www.signalshares.com. Details of how to appoint a proxy in this way are set out in note 10 of the Notice of AGM. Alternatively, you may request a hard copy form of proxy directly from our Registrar, Link Group. Details of how to request, and complete, a hard copy form of proxy are set out in Note 9 of the Notice of AGM.

All proxy instructions must be received by the Registrars by no later than 10.00 a.m. on 22 April 2022.

If you hold your shares through a nominee service, please contact the nominee service provider regarding the process for appointing a proxy.

Recommendation
The Board considers in good faith that the Resolutions will promote the success of the Company for the benefit of its members as a whole.

Accordingly, the Directors recommend that you vote in favour of the Resolutions to be proposed at the AGM, as the Directors intend to do in respect of their own beneficial shareholdings.

Yours faithfully,

Murray Legg
Chair

Notice of Annual General Meeting Notes:

Attendance

1. If you wish to attend the Meeting in person, you should arrive at the venue in good time to allow your attendance to be registered. Please bring some form of identification. To be entitled to attend and vote at the Meeting (and for the purposes of the determination by the Company of the votes that may be cast in accordance with Regulation 41 of the Uncertified Securities Regulations 2001), only those members registered in the Company’s register of members at close of business on 22 April 2022 (or, if the Meeting is adjourned, close of business on the date which is two business days before the adjourned Meeting) shall be entitled to attend and vote at the Meeting. Changes to entries on the register of members after that time shall be disregarded in determining the rights of any person to attend or vote at the meeting. A member present in person or by proxy shall have one vote on a show of hands and on a poll every member present in person or by proxy shall have one vote for every share of which he/she is the holder.

2. Any question relevant to the business of the Meeting may be asked at the meeting by anyone permitted to speak at the meeting. You may alternatively submit your question in advance by sending it, together with your name as shown on the Company’s register of members, to the following email address: cosec@globaldata.com so that it is received by no later than 10.00 a.m. on 22 April 2022. Please insert “AGM – Shareholder Questions” in the subject header box of your email. Please also see the explanatory notes at paragraph 17 below for guidance on members’ rights to ask questions and when the Company will cause them to be answered.

3. Shareholders are also offered the option to participate in the Meeting remotely. If you are interested in this option, please call Courtney Taylor on 020 7936 6400 or email cosec@globaldata.com in order to make the necessary arrangements. However, shareholders will not be able to vote at the Meeting when joining remotely. Shareholders are therefore asked to exercise their votes by submitting their proxy electronically via their Signal Shares account in advance of the meeting and to appoint the Chair of the Meeting as their proxy with their voting instructions. Submission of an electronic vote via your Signal Shares account will not preclude you from attending the Meeting and voting in person if you so wish.

4. The Company has been monitoring the evolving situation relating to the Coronavirus pandemic and whilst the UK government has lifted legal restrictions in England, the situation remains uncertain and there is no guarantee that there will not be any further changes prior to the Meeting. Shareholders should note that further changes may need to be put in place at short notice in relation to the Meeting and any updates to the position will be included on the Company’s website at https://www.globaldata.com/investors/shareholder-information/agm-information/.

Appointment of Proxies

5. If you are a member of the Company at the time set out in note 1 above, you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at the Meeting. You can appoint a proxy only using the procedures set out in these notes and the notes to the proxy form.

6. A proxy does not need to be a member of the Company but must attend the Meeting to represent you. If you wish your proxy to speak on your behalf at the Meeting you will need to appoint your own choice of proxy (not the Chair) and give your instructions directly to them.

7. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, please indicate on your proxy submission how many shares it relates to.

8. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the Resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting.
Appointment of Proxy Using Hard Copy Proxy Form

9. A hard copy form of proxy has not been sent to you but you can request one directly from the registrars, Link Group’s general helpline team on Tel: 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 – 17:30, Monday to Friday excluding public holidays in England and Wales. Alternatively, you can request a hard copy form of proxy via email at shareholderenquiries@linkgroup.co.uk or via postal address at Link Group, PXS1, 10th Floor, Central Square, 29 Wellington Street, Leeds LS1 4DL. In the case of a member which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form. For the purposes of determining the time for delivery of proxies, no account has been taken of any part of a day that is not a working day.

Appointment of a Proxy Online

10. You may submit your proxy electronically using the Share Portal service at www.signalshares.com. Shareholders can use this service to vote or appoint a proxy online. The same voting deadline of 48 hours (excluding non-working days) before the time of the meeting applies. Shareholders will need to use the unique personal identification Investor Code (“IVC”) printed on their share certificate. If you need help with voting online, please contact our Registrar, Link Group’s portal team on 0371 664 0391. Lines are open between 09:00 – 17:30, Monday to Friday excluding public holidays in England and Wales or via email at shareholderenquiries@linkgroup.co.uk. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate.

Appointment of Proxies Through Crest

11. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Meeting and any adjournment(s) of it by using the procedures described in the CREST Manual (available from https://www.euroclear.com/site/public/EUI). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited’s (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer’s agent (ID: RA10) by 10.00 a.m. on 22 April 2022. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time.

In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
Appointment of Proxy by Joint Members
12. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company’s register of members in respect of the joint holding, the first-named being the most senior.

Changing Proxy Instructions
13. To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the cut-off times for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded. Where you have appointed a proxy using the hard-copy proxy form and would like to change the instructions using another hard-copy proxy form, please contact Link Group as per the communication methods shown in note 9. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Termination of Proxy Appointments
14. In order to revoke a proxy instruction, you will need to inform the Company by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to Link Group, at the address shown in note 9. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed, or a duly certified copy of such power or authority, must be included with the revocation notice. The revocation notice must be received by Link Group no later than 48 hours before the Meeting. If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid. Appointment of a proxy does not preclude you from attending the Meeting and voting in person. If you have appointed a proxy and attend the Meeting in person, your proxy appointment will automatically be terminated.

Corporate Representatives
15. A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.

Issued Shares and Total Voting Rights
16. As at 29 March 2022 (being the latest practicable business day prior to the publication of this Notice), the Company’s ordinary issued share capital consists of 118,303,869 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at 29 March 2022 are 118,303,869.

Questions at the Meeting
17. Under Section 319A of the Act, the Company must answer any question you ask relating to the business being dealt with at the Meeting unless:

- answering the question would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information;
- the answer has already been given on a website in the form of an answer to a question; or
- it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.
Website Publication of Audit Concerns

18. Under Section 527 of the Companies Act 2006, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company’s financial statements (including the Auditor’s Report and the conduct of the audit) that are to be laid before the Meeting; or (ii) any circumstances connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual financial statements and reports were laid in accordance with Section 437 of the Companies Act 2006 (in each case) that the shareholders propose to raise at the relevant meeting. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the Companies Act 2006.
