Dear Shareholder

NOTICE OF GENERAL MEETING AND THE COMPANY'S PROPOSED TENDER OFFER

Please accept this letter as notification that GlobalData Plc's (the "**Company**") Notice of General Meeting to discuss the Company's proposed tender offer ("**GM**") and the explanatory circular have now been published on the Company's website at **www.globaldata.com** under the investor section and are enclosed for shareholders who elected for a hard copy of the Notice of the Meeting and the explanatory circular.

General Meeting attendance

The Company's General Meeting will be held at 2:30 p.m. on 6 August 2026 at John Carpenter House, 7 Carmelite Street, London, EC4Y 0BS.

This letter does not contain the full details of the resolution to be tabled at the GM, and this is contained in the Notice of the Meeting and should be read before you complete your vote. The Directors consider that the proposed resolution contained in the Notice of the Meeting is in the best interests of the Company and shareholders as a whole and unanimously recommend that you vote in favour of it, as they intend to do in respect of their own shareholdings.

If you wish to attend the GM in your capacity as a shareholder, please bring this letter with you and on arrival hand it to the Company's Registrar, this will facilitate your entry to the meeting. However, before deciding whether or not to attend the GM in person, please read the section below regarding the arrangements for the GM.

Proxy voting

You will not receive a hard copy form of proxy for the GM in the post. Instead, you will be able to vote electronically at **https://uk.investorcentre.mpms.mufg.com/**. You will need to log into your Investor Centre account or register if you have not previously done so. Once you have setup your account you will need to add your shareholding by clicking 'Add Holding' in the 'Portfolio' section and following the on-screen instructions. You will require your Investor Code (IVC) to add your shareholding. You can find your IVC on your share certificate or by contacting our Registrar, MUFG Corporate Markets.

Alternatively, if you hold your shares in CREST, you may appoint a proxy by completing and transmitting a CREST Proxy Instruction to MUFG Corporate Markets.

If you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to **www.proxymity.io**.

Voting by proxy prior to the GM does not affect your right to attend the GM and vote in person should you so wish. Proxy votes must be received **no later than 2:30 p.m. on 4 August 2026**.

If you need help with voting online, please contact our Registrar, MUFG Corporate Markets, on Tel: 0371 664 0300, or email MUFG Corporate Markets at **shareholderenquiries@cm.mpms.mufg.com**. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 - 17:30, Monday to Friday excluding public holidays in England and Wales.

Arrangements for the GM

The Company understands and respects the importance of the GM to shareholders and the board of Directors greatly values the opportunity to meet shareholders in person. However, we understand that this may not be possible or desirable for all who wish to attend, therefore, the Company will offer shareholders the option to participate in the

GM remotely which can be accessed from any computer with internet access or through a telephone (mobile or landline). If you are interested in this option, please call Jamie Haste on 020 7936 6400 or email **cosec@globaldata.com** in order to make the necessary arrangements. However, shareholders will not be able to vote at the GM when joining remotely. Shareholders are therefore asked, whether or not they propose to attend the GM in person, to exercise their votes by submitting their proxy electronically via their Investor Centre account in advance of the GM and to appoint the Chair of the GM as their proxy with their voting instructions. Submission of an electronic vote via your Investor Centre account or via CREST or Proxymity will not preclude you from attending the GM and voting in person if you so wish. The form of proxy must have been received by **2:30 p.m. on 4 August 2026** (or, in circumstances where the GM is adjourned to a date later than 48 hours after the time specified for the GM, 48 hours before the time of the adjourned meeting, excluding any UK non-working days).

Shareholders should continue to monitor the Company's website and announcements in the event of any updates regarding the GM.

Thank you for your continued support as a shareholder of GlobalData Plc.

Yours sincerely,

Robert (Bob) Hooper
Company Secretary
GlobalData Plc

Please note that if you consent to website publication you will continue to be notified in writing and through the release of an announcement on the London Stock Exchange each time the Company places a statutory communication on the website. Documents which are required to be sent to shareholders ('shareholder information') are published on our website at **www.globaldata.com**.
